

# HOW IT WORKS.

You start your dinner with bread and spreads.

Next, you order one dish per person per round. With your first order, you choose the first 3 rounds. When the first 3 rounds are finished, you can order another round.

Our starters and main courses are served in smaller portions, so you can sample a little bit of everything. You finish your dinner with a dessert of your choice.

You can order dishes until 9:30 PM. Desserts are served until 10:00 PM.
